

Obtaining your Ohio Credential ID

If you already have an account on the Ohio Student Progress Portal, you will not need to obtain your Ohio Credential ID. However, if you do not already have an account, follow the steps for new account creation in the setup guide. To create an account, teachers will need their Ohio Credential ID number. This can be found in any of the following ways:

- Ohio Educator License
- District HR Department or other office responsible for maintaining copies of your Ohio Educator License
- Educator Profile Search on the Ohio Department of Education website.
