

**The Student Experience Survey** will be offered again to all HCSD buildings for grades 4-12. This *optional tool* assists teachers and buildings to gain a measure of students' perceptions of **Hope, Belonging, Engagement, and Classroom Management**.

Fall test administration window is open until **January 15, 2016** and is compatible with an iPad mini.

**Teacher Login-** Use <http://www.thestudentexperience.org/index.aspx>

New Teachers will need to set up a new Ohio Student Progress Portal account and will use their State ID number (see handout *Obtaining your Ohio Credential ID*). Teachers who already have an account will use their email address and password from previous uses. There is a "forgot password" prompt if needed. All teachers will use the **Teacher Access Code** associated with their building (see below).

**Access Code below is needed for login:**
